Call for Sunday School Convention  
Rev. J. B. Kerr, who travels extensively in West Texas as Sunday School Missionary has furnished the Signal with a lengthy article telling how and why Snyder should be made a great city—advocating material and moral effort to that end.

In this connection as president of the Sunday School Association of Horry county he has called for a mass convention of all Sunday School people to be held at the Baptist church in Snyder, March 29th at 8 o'clock p. m.

Keep this in mind and be there. Brother Kerr's article will appear in the Signal next week.

### A PROCLAMATION

Whereas my tenure of office as Mayor of the City of Snyder, Texas will soon expire, and whereas it is my earnest desire to leave these pleasant duties with the knowledge that the city is being conducted in a manner which will be as clean and wholesome as the legislative and financial conditions thereof, and whereas, under former proclamations of this kind, the people of the City of Snyder have responded most heartily thereto:

Now, therefore, by the authority vested in me as the Mayor of said city, I do hereby appoint, designate

and set apart the fourth Saturday of March, 1916, being the 25th day thereof, as the regular annual clean-up day for the City of Snyder, Texas.

And in order that this movement may be general throughout the City I most urgently appeal to all residents to assist their own and the welfare of their children and communities at once to aid in the work and that all rubbish of every description be carried to the property line of all premises, where the city wagons will gather and remove same without cost to the residents.

Given under my hand and seal of

office this the 14th day of March, A. D. 1916.

J. Z. NOBLE, Mayor.
